¹Prices for the products named above were found on June 16, 2010, at brita.com (Brita), culligan-store.com (Culligan), kmart.com (PUR), homedepot.com (GE), zerowater.com (ZeroWater), and homedics.com (HoMedics) and are limited to the named products marketed at that place and time. Shaklee prices based on MN pricing. "Starter Kit" price for each pitcher includes price of pitcher, filter, and filter housing. All trademarks are the property of their respective owners.

²Gallons of capacity per filter obtained from NSF or WQA certification listings, as appropriate.

³Replacement filter price per gallon of water filtered. Does not include pitcher price.

⁴Estimated filter life based on 20 gallons per month usage and certified filter life.

⁵This comparison of current WQA and NSF certified reduction claims was conducted on June 16, 2010, and is valid only for the named products marketed at that time. Models compared also are certified to reduce the following: Brita OB-36: zinc; Culligan PIT-1: nominal particulates (NP), zinc; PUR CR-6000C: NP, cysts, MTBE, zinc, toxaphene GE GXPLO3H: NP, zinc, bacteriostatic effects; ZeroWater ZP-001: zinc, hydrogen sulfide, aluminum, iron; HoMedics RWS-100: zinc. Product claims obtained from the respective manufacturers' Web sites.
